On Demand Trainings

On request, Blue Lab Consulting instructors can provide customized trainings, tailored to fit your specific needs. Any specific course includes a mix of presentation slides, video demonstrations, interactive labs and assessment tests.

Blue Lab Consulting and QRP International as Accredited Training Organisation (ATO) for PRINCE2®, MSP®, P3O®, MoP®, ITIL® and Agile Project Management deliver accredited trainings services in the following areas:

- Project Management - PRINCE2 (Projects IN Controlled Environments)
- Programme management - MSP (Managing Successful Programmes)
- Portfolio, Programme and Project Offices Management – P3O
- Portfolio Management - MoP (Management of Portfolios)
- IT Service Management – ITIL (Information Technology Infrastructure Library).
- Agile Project Management
